

PAT present at Suppliers' Day in New York on Kinetik's booth

Plant Advanced Technologies PAT, pioneer in identifying and producing rare biomolecules, will showcase its active ingredients during **Suppliers' Day** on 15 and 16 of May in New York (USA).

During this major event for cosmetic ingredient suppliers showing their latest innovations, you can meet PAT on its **individual kiosk on Kinetik's booth #1101, exclusive distributor on the American market**. Anne Musci-Carissimo, Sales Manager at PAT, will represent the company on the booth.

More about the show at <https://nyscc.org/suppliers-day/>

Events to come: Presentation meeting during the Day of Mid-Caps on May 15th, 2018 (Paris)
Participation to Midcap Partners conference on May 17th, 2018 (Paris)

About PAT:

After almost 20 years of experience, PAT is the pioneer in root optimization and exploration thanks to PAT's patented technology PAT plant milking®. The plant biotechnology company specializes in identifying, optimizing and producing rare active compounds of plant origin designed for cosmetics, pharmaceuticals and agrochemistry. PAT's exclusive know-how is worldwide patented (PAT plant milking® et Target Binding®).

PAT is listed on Euronext GrowthTM of Euronext Paris (ISIN code: FR0010785790 – Mnemonic code: ALPAT).

About Kinetik Technologies:

Kinetik Technologies provides innovative raw materials to the personal care industry. As a supplier of high-quality specialty ingredients from around the globe, we strive to exceed the development and marketing needs of our customers and, whenever possible, do so using sustainably sourced, high-quality functional and active ingredients. Through our strategic international alliances, Kinetik offers an extensive line of functional and active raw materials: "Non-traditional" preservatives, high-performance actives, PEG-free emulsifiers, novel surfactants—and much more. We invite you to explore the opportunities our ingredients can bring to your product development process. For a complete list of the exciting materials we offer, please visit our website www.kinetiktech.com
