

ROOTNESS® AWAKE awarded in China

PLANT ADVANCED TECHNOLOGIES PAT (*Euronext Growth™- Paris - ISIN: FR0010785790*) announces that **ROOTNESS® AWAKE**, the eye contour illuminator active co-developed with **Clariant**, won the Fountain Awards* in the "Brightening" category at the **PCHi 2023** international cosmetics show in China.

A natural active that has already won international awards

This is the second award for Rootness® Awake, launched in May 2022 in New York by Clariant, which won the first prize in the BSB Innovation Awards 2022 in the category "Environment and Actives".

For PAT and Clariant, this new award highlights the product's efficacy and innovative mechanism of action, testifying to their continuous efforts to provide innovative, high quality cosmetic ingredients in line with consumer trends.
