

## ECOVADIS Silver Medal

**PLANT ADVANCED TECHNOLOGIES PAT** (Euronext Growth™- Paris - ISIN: FR0010785790) is proud to announce that it has received the **EcoVadis 2022 Silver Medal** for its CSR performance. This medal recognizes the company's policy on social responsibility and its performance in sustainable development.

### A sharply increasing score since 2021

The score has increased by 27% in one year, allowing PAT to obtain the **silver medal**. The company is **now in the top 10% of the best performing CSR companies** assessed by EcoVadis in its sector.

### CSR in PAT's DNA

CSR policy has been at the **heart of PAT's DNA since its creation, deeply committed to sustainable innovation**, thanks to production methods based on the preservation of plants and environment as well as a social and managerial policy that favors dynamism, commitment, and performance of the teams.

Laurence Oudin, QHSE-Regulatory Manager, said: *"We are very proud to have gone from Bronze to Silver medal in the EcoVadis ranking in just one year. This result complements our High Environmental Value certification obtained in 2021. This is also a motivating factor for all our employees."*

Jean-Paul Fèvre, CEO adds: *"This Silver medal is an assurance to our customers that we are developing the highest standards of sustainable research and innovation."*
